Dear Sir:

In response to the Office Action dated April 29, 2005, setting a three month shortened statutory period for response that expires on July 29, 2005. A formal Petition to extend the shortened statutory period to September 29, 2005, or as necessary to avoid abandonment of the application, is appended, but the Office may consider this statement to be a substitute petition and authorization to charge Deposit Account No. 50-1038 in the event that the formal petition is mission or defective. Amendments to the specification begin on the next page. Amendments to the claims are reflected in the listing of claims that begin on page 4. Remarks begin on page 7. This response contains no amendments to the drawings. Further examination and reconsideration are respectfully requested.
